Customization and Ordering Options

Order by Design Number, including H or V for Slimlines.

Slimline Personalization

Horizontal cards: three lines of 25 characters each, including spaces.
Vertical cards: two lines of 25 characters each, including spaces.
Personalization font is Arial

Flat or Folded Press-printed Cards

Each card offers different levels of customization. Use the samples as a guide for what will fit. Fonts, colors, and text can all be personalized Flat cards include only the image half of the folded designs.

The inside of folded cards, or the back of flat cards, can be customized with any text you'd like or can be left blank.

We'll provide a PDF proof of your Press-printed Cards for your approval before they go to the printer.

Turn-around Time

Allow seven business days to receive your cards from the time you place your order or approve your proof for folded cards.
